SUBMISSION FOR CORRECTED TRANSMITTAL LETTER

 Commissioner for Patents

Dear Sir:

Applicants noticed errors in the transmittal letter filed with the application on April 28, 2005 for the above-identified patent application. The true international application number is PCT/JP2003/013743, not PCT/JP2003/023743. We also noticed that the 4th inventor's name was inadvertently omitted in the transmittal. **Toshinori OKA** is the 4th inventor as indicated in the Declaration filed with the application. Please replace the original transmittal letter with the attached corrected transmittal letter. Should any fees be necessary for this request, please charge them to our deposit Account No. 11-1410.

Enclosed in support of this submission are the following:

- (X) A corrected transmittal letter in 2 pages.
- (X) A copy of the Declaration signed by the inventors.
